

## **Webinar: Ethical Policing Reform**

Session 1 - Tuesday at 12pm ET  
Session 2 (repeat) - Wednesday at 6pm ET

---

**The Law, Justice and Ethics Policy Committee and the Ethical Policing Work Group** is pleased to present a webinar about the Ethical Policing Reform Resolution submitted to the Rules Committee. The Resolution is a product of the Ethical Policing Work Group's research on the issues of ethical policing as a part of the solution to unethical police behavior.

The research resulted in the creation of a legislative framework to address the issue of police behavior by codifying expectations of ethical behavior for police officers.

This framework will be used to introduce legislation that will establish transparency and accountability for actions taken by police officers. It is the Committee's intent that members will introduce the Ethical Policing Reform Legislation in their respective legislatures.

For your convenience we will host the webinar twice.

Session 1 will be held on Tuesday, 01 SEPT 2020 at 12PM ET.

If you are unable to attend on Tuesday, please join us for the Repeat Session on Wednesday, 02 SEPT 2020, beginning at 6pm ET.

We hope you can join us for one of these webinars.
