Treasurer

Ebony L. Pardo serves as the District Senior Executive Secretary for the office of the current Democratic Co-Leader, State Representative Bobby DuBose of Florida District 94. Although she has worked in the private, non-profit, and public sectors, Ms. Pardo's career in civil service with municipalities, county, and State spans a decade. She has garnered quite a few accolades for her achievements, such as being a 2018 Legacy South Florida's 40 Under 40 Black Leaders of Today and Tomorrow Honoree and a 2020 graduate of the Ronik-Radlauer Group's Learning To Lead Program. Ebony received her Bachelor's in Psychology from Cedar Crest College and Master's in management (with a concentration in Healthcare Administration) from New England College. When this transplanted New Yorker can find a spare moment, Ebony enjoys reading, spending time with loved ones virtually, watching films, and sharing company with her cat.
